#3. The eats were fine. Nat Shepard, Mrs. Shepard and Mrs. Fred Miller. Mr. Shepard is the president of the James E. Hendry chapter. He took us on a fine slide tour of Suriname. Most of his slides were taken on a return trip he took in 1968, but some date from 1954. He tells us that when he was there in 1943 he was not permitted to take a camera.

#4. "X" marks the spot on Mr. Fred Miller's head. He didn't duck when Mrs. Miller aimed the old rolling pin. No, that is not what caused the punctured pate. He raised up under an open metal sash window. We bet he said, "Oh shucks" when he quit seeing stars.
